Carbon monoxide poisoning, the mechanism of. A review 213
Census data on sewerage systems in the United States, summary of 409
Chick-embryo yellow fever vaccine and normal chick embryos, anaphylaxis in guinea pigs following sensitization with [Berge and Hargett] 652
Chickenpox. (*See* United States—Monthly State reports.)
Cholera: Foreign reports 183, 248, 320, 477, 636, 770, 850, 984
Coccidioides, isolation of from soil and rodents [Emmons] 109
Coding and tabulation of medical and research data for statistical analysis [Edwards] 7
Colorado: (*See also* Name of disease—Weekly State reports; United States—Monthly State reports.)
Colorado tick fever. (*See* United States—Monthly State reports.)
Communicable diseases. (*See* Name of disease; Name of country.)
Conference of the United States Public Health Service with the conference of State and Territorial health officers, opening remarks to the fortieth [Parran] 691
Connecticut. (*See* Name of disease—Weekly State reports; United States—Monthly State reports.)
Costa Rica:
  Notifiable diseases—
    January 1942 520
    February 1942 635
    March 1942 725
Court decisions on public health:
  City health officer—recovery of compensation—qualifying for office 882
  City held not liable for death of child on sewage disposal plant 771
  County health department—petition to submit question of establishment to voters—withdrawal of names of signers after expiration of time for filing 883
  Death from disease caused by bacillus enteriditis held compensable under workmen's compensation act 551
  Liability for sale of contaminated beverage 551
  Liability of keeper of dog for death of bitten person from rabies 726
  Manufacture of bakery products held not liable in action based on illness resulting therefrom 959
  Oleomargarine law construed 30
  Payment for services performed by superintendent of county board of health 187
  Pneumonia held compensable under workmen's compensation act 31
  Records of county health commissioner concerning typhoid carrier held not privileged 281
  Repeal of statutory provision creating office of State dairy commissioner 215
  Sewage disposal—statute held valid—action of State board of health and State committee on water pollution held authorized 482
  Statutes regarding appointment of health officer for particular county alone held unconstitutional 483
  Tax levy for county tuberculosis hospital 31
  Use of paper containers in the sale of milk 283
Cuba:
  Habana—Communicable diseases—4 weeks ended—
    November 15, 1941 106
